

Bayview Farms HOA

Sentry Management Inc., 4925 Lacross Road, Suite 112, North Charleston, SC 29406 (843) 795-0190

Community Information Center via Community Pro Portal

The Bayview Farms CommunityPro Portal is the information center containing governing documents, meeting minutes, special communications, newsletters, architectural guidelines, forms and applications, and a community calendar. You may access and register in CommunityPro by going to www.sentrymgt.com, and clicking on, "Go to Your CommunityPro PORTAL". Create your new login ID and password. You will need your Sentry Management assigned 16-digit account number to register. The account number can be found on your monthly payment coupons or you can contact Sentry Management. Once done, you will be able to use your login ID and password to enter the portal.

The portal includes a link to the Online Payment Center, Your Profile, Your Ledger Card, a Homeowner Directory, and the Information Center. For more detailed information about your online payment options and other accounting information, simply click on the Answers to Payment Questions link below the Payment Center button. Check it often for updates. Please note that you can view your account balance online!

The portal is secure and only members of your community association have access to the information contained therein. Access to each registered user's profile is limited to the registered user by login ID and confidential password, as generated by the user.

If you have any questions about the portal and its features, please contact your community manager or email website@sentrymgt.com for assistance.

Questions?

If you have any questions or concerns please feel free to contact Danny DeSimoni at Sentry Management, at 843-795-0190 x201, or by email at: d-desimoni@sentrymgt.com.

Homeowner Contact Update

The association send outs email communications via CommunityPro Portal. In order to receive these community emails, you must register and opt-in to receive the e-blasts. You have the ability to change your mailing address, view and be listed on the community directory (only accessibly by registered homeowners), and view your account balance. These options will be provided upon the completion of the registration process.
